

Announcement

Dear E-Filer,

Good morning! We are shifting the e-filing fee change from the originally planned October 1, 2021, date to November 1, 2021.

Here's a list of our ever-growing [network of partner courts](#).

As a reminder:

Effective **November 1, 2021**—Tyler Technologies is changing the eFiling fee to **\$25.00/party/case** for **state and superior** court locations.

The fee for **Magistrate eFiling** will also be changed to **\$14.00/party/case**. That means you get all the great services and still have **(by far) the lowest e-filing fees in the state**.

Sincerely,
eFileGA Team
