City of Columbus (CCG)
Neighborhood Meeting
District 4

"All-Hands on Deck Campaign"

November 17, 2026

5:30 pm - 7:00 pm

[Columbus, Georgia] – City Officials will host a '**Neighborhood Meeting**' on Tuesday, November 17th at 5:30 pm at Shirley Winston Park, 5025 Steam Mill Road, as part of the '**All Hands on Deck Campaign'** to clean up our neighborhoods and our city. We must get a handle on the uncleanliness of our community, and it will take ***"all of our community leaders and residents to make this happen".*** This is just the start of getting this done through collaboration and coordination.

Deputy City Manager, Lisa Goodwin, will coordinate this effort in conjunction with various city departments with an emphasis on Parks and Recreation and Public Safety and others as a part of this concerted effort.

We will talk about how the city can assist the residents in getting their neighborhood cleaned up with the assistance of the city. We will make clean up kits available to the community, and the city will come and pick up the debris.

We are currently scheduling meetings in other districts as well. It will take ***"ALL HANDS ON DECK"*** to make this happen!

If you have an organization that would like to be a part of this effort, please contact me so that we can coordinate an area for clean-up.
